Multiple Sclerosis Society

Registered Charity Number 207495

MS is one of those 'silent' diseases that doesn't grab the headlines, yet it affects around 85000 people in the UK. It is a debilitating, central nervous system disease; there is no cure, even its cause is unknown. The MS Society is the largest MS charity in the UK and is a major source of funds for research into the disease. More importantly, they provide practical advice and support for the people who have been diagnosed.

You can make donations directly to MS Society, 372 Edgware Road, London NW26ND.

For sponsorship forms please contact the MS Society direct.
